KUALA LUMPUR: Pestech International Bhd's wholly-owned subsidiary, Pestech (Cambodia) Plc (PCL) has received an approval-in-principle for the proposed listing of PCL from the Securities and Exchange Commission of Cambodia (SECC).

In a filing with Bursa Malaysia on Tuesday, it said SECC had granted the approval-in-principle and registration-in-principle for the disclosure of the document for the proposed listing, subject to several conditions.

"The conditions include the appointment of an independent director, establishment of an audit and risk management committees and an internal audit unit, and to furnish SECC with the underwriting agreement prior to obtaining the final approval from the SECC on the Proposed Listing," it said. – Bernama
